

## Mini Magical Museum - 30th March

### Headstone Manor House

Headstone Manor is a very old building! There have been people living here since at least 1233! That's nearly 800 years! Now we use it as a museum to teach everyone about the history of Harrow. Museums are very special places where we can look after very old, very important things! Have a look at the picture of our Manor House. Does it look like your house?

Have you ever been to a museum? Have you been to Headstone Manor & Museum?

If you were in charge of a museum, what would you put in it? Maybe your favourite toy?

Our museum has a moat all around it and that makes it even more special! The Moat is home to lots of ducks, including Bill the Duck! Here is a song all about 5 little ducks, do you know the words? Can you sing along?

Bill the Duck has been hiding all around the Manor House whilst we are closed. Can you spot all of the Bill the Ducks in the manor house picture? There are 7 to find! When you have found them all can you draw a friend for Bill?
