

Headstone History Detectives - March 23rd 2020

Outdoor Bingo!

The museum may be closed but there's still plenty to learn about the history of Harrow. Join in the fun as Detective Bill the Duck shows you more about the place we call home!

Your first challenge is to complete Headstone History Detectives Bingo! Print off our BINGO card or draw your own and take a walk around your local area. Can you spot all these things in your neighbourhood? Make sure to share your completed Bingo cards with us!

Look out for our History Detective, "did you know?" posts and find out more about the things we see everyday!

Keep Safe! Keep at a distance.

Current (Monday 23rd March) Government guidelines say local walks are fine as long as families keep a distance (2 metres) between themselves and other people. This may change at any time, please keep checking government guidelines.
