

Headstone History Detectives - April 2nd 2020

Kodak activity!

Did you know that you used to have to wait a long time to see any pictures you took?
Have a look at these photographs of film!

Photographs used to be taken onto film and then needed to be developed.
Maybe you could ask your grown up if they have any old photos you can see?
Here are some top photography tips to prepare you for your kodak task this afternoon!
