How many times
can you spot me in
this booklet?

Bill's treasure hunt, colouring in,
spot the difference and more!

Oh no! Bill's lost!

Please help him find his way across the moat to the Manor House.

When the Archbishop of Canterbury visited Headstone Manor, he had grand feasts in the Great Hall. Can you spot the differences between these two pictures? There are six differences to find.

Once upon a time when Headstone was a farm, apple and pear trees grew in orchards. Can you draw in some more trees.

Carefully smell the herbs. Which do you like best?

The Great Barn is really long. How many steps does it take to walk from one end to the other?

Farmers used to milk cows in the Great Barn. Draw some cows in the farm yard.

Draw your favourite thing from the Museum. Why do you like it?

What would you put in a museum about yourself?

You can find out what these farm workers are doing in the Tudor Room. You can colour them in the Granary.

We hope you have a quacking visit!
