What the teachers say:

'Staff are professional, knowledgeable, enthusiastic and welcoming and the museum sessions really enhance the children's learning.'

What the kids say:

"We had the best trip ever! I wish I could come again, thank you"

KEY STAGE 1

History

The Muddled-Up Toy Chest

Oh dear! The Museum's toy chest has got into a terrible muddle! Can your class come and help us sort out the old from the new toys?

Investigate, sort, make and play in this interactive session

Elbow Grease!

With a click of a button and the whirl of a machine our household jobs get done, but are your pupils ready for life without machines? Get dressed up in costume ready to try out washing, scrubbing, mangling, and ironing and discover what our homes were like in the past!

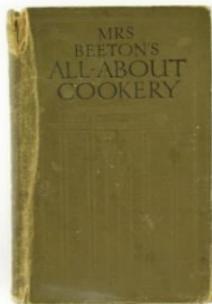

Fire and Flames - The Great Fire of London

Pupils become history detectives at the fire damaged Headstone Manor! Come and gather evidence about how fires started, why they burnt for so long and what people did to stop them. Discover the devastating events of 1666, and how a combination of decisions and circumstances led to the destruction of London.

Famous Harrow People – Mrs Beeton

Find out who Mrs Beeton was, why she was so famous and how her story ties in with many dramatic changes in Victorian Harrow. Real artefacts, costumes and role play, bring this fun session to life.

Owl's Amazing Adventures in Harrow!

Poor Owl is lost—Harrow has changed so much he can't find his way home! What objects and places from Harrow's history does he find to help him return to his barn? See aerial photographs and make maps to help that daft owl on his adventures.

This unique story is perfect introduction for learning about significant historical sites in Harrow and how the area has changed through the ages.

Extra Curriculum links: geography, aerial photography and map making. This session is also suitable for KS2

KEY STAGE 1 & 2

Design Technology

Structures

Explore our fantastic range of listed buildings and examine how they were made, and the materials that were used. Which will be your favourite?

Art

Glorious Gardens

Explore different art and design techniques including colour, texture, shapes and space. Use pastels to draw the historic plants, flowers and moat at Headstone.

KEY STAGE 2

History

Exploring the Stone Age

Discover the lives of hunter gathers in the Harrow area, through ancient objects, hands on exploration and practical activities. Can your class find the evidence of stone age people who settled here at Headstone?

Developed in conjunction with the Museum of London

Piecing Together Roman Harrow

From roman pottery factories to marching soldiers on Watling Street, discover how the wild land of Harrow was 'Romanised' We will turn your pupils into mini archaeologists, who will 'dig up' REAL Roman objects, as well as decoding Latin and meeting Harrow's first residents!

Princesses, Saxons, and the birth of Harrow!

Come gather round to hear tales of Saxon princesses, & sacred places, and how Harrow and Headstone got their names! Discover the Saxon impact through this interactive fun session, which will take your class back to the birth of Harrow as an area.

Moats, Manors and Muck! – Life in Tudor Harrow

Explore the world of wealthy Tudors who lived at Headstone Manor and discover the manor's connection to Henry VIII. How did the life of a poor farm worker compare? Replica objects, music and smells create a stimulating learning environment and every child gets to dress up in a fabulous handmade Tudor costume!

Potions and Lotions: Tudor Herbs and Home Life

Smell, touch, taste and discover the importance of herbs in the Tudor home. Pupils will learn how herbs were used in the past and will make their own herbal 'recipe' books and mixtures. A delight for all the senses!

Mrs Beeton and the Railways!

Did you know that Mrs Beeton was one of London's first female commuters? Learn about the railways, as well as household management with the most famous Victorian resident of them all! Handle artefacts and costumes, examine photographs and books, and discover what life was like in Victorian Harrow.

Evacuate! Wartime Harrow

What was it like for children during WWII? Artefacts, photos, witness statements and role-play help reconstruct the realities of wartime Harrow for children. Get ready to become one of the 'Kodak Kids' and pack your suitcase ready for evacuation!

Fields to Factories - Harrow's History

Discover how and why your area changed so dramatically during the late Nineteenth / early Twentieth Centuries! Using Local History Library resources your students will explore the area around your individual school. The session also looks at one of Harrow's most famous factories - the Whitefriars Glassworks, celebrating the time when Harrow industry led the world!

Headstone Manor through the Ages

Want to find out the changes that have happened at Headstone over its eight-hundred-year history? This session will introduce your pupils to the Manor's fascinating stories. This session can be run as part of the unit of work on the Manor or as a standalone session.

Learning Pack (free):

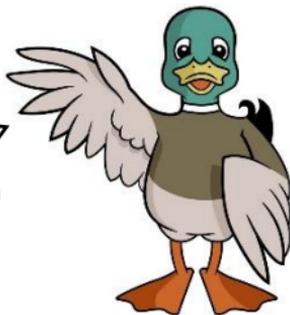

Headstone Manor; 1200 Years of History in Harrow.

Headstone Manor is the perfect site to extend your pupils' historical knowledge beyond 1066. We offer this learning pack to support focused work using our scheduled ancient monument. The major changes in Harrow's history can be explored through this unit of work, and there are links to national history.

Self-Led Trail

Why not stay for the day and explore Harrow's history!

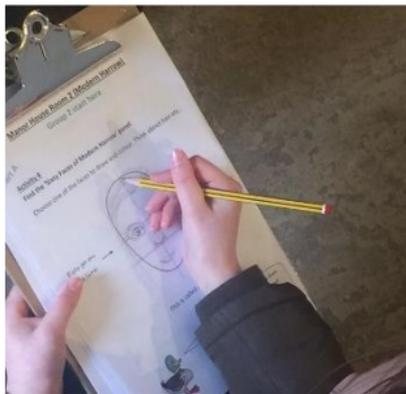

Discover Headstone Manor and Museum with our school's resources. Our trails are available for KS1 & 2 and are free to download from our website, or available from us at a small charge. Entry to the Museum is free!

Art's Award

Our Art's Award Discover Trail will enable your class to achieve their very own Arts Award by looking closely at our Museum and collections.
