

## The Manor through the Ages

Session takes approx. 90 mins

**Aim:** Discover Headstone Manor's history and how it can tell us wider stories about Harrow. Children will hear stories from over 1000 years of history, which will help them develop their sense of chronology and how a site can change over time.

### Session breakdown

**Tour (half the class):** Explore our Scheduled Ancient Monument and hear about key times in Headstone's history – Saxon, Medieval, Tudor and Stuart, Georgian and Victorian, WWII and Modern.

**Creative activity (half the class):** Make your own class timeline collage of Headstone Manor's history to take back to class.

### Curriculum Links:

- History: a study of an aspect of history or a site dating from a period beyond 1066 that is significant in the locality
- Historical questioning skills.
