

MEMORIES FROM FABRIZIO 'MR ROOTS AND CULTURE' LAGANÀ - REGGAE PROMOTER AND DJ

INTRODUCTION TO GREGORY

Yes I have loved his music since 1977 when I started to follow and listen to reggae music and also I started to know all his discography.

FIRST MEETING

I'm a Reggae Promoter, DJ, Radio Speaker, Writer and Records Collector and my first time I met him here was in Rome, Italy in July 14-15 1985 during the first Reggae Festival which was organized by me and other reggae lovers.

During my first visit to Jamaica in August 1992 I stayed at the African Museum with John and Vin Gordon (the owner of De Buss of Negril). Again I met him in Rome, Italy for his show on September 28 1992 with Glen Brown & Little Roy.

FAVOURITE SONG

My favourite song is 'Sunday Morning'.
